

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machinery. Bob O'Hara, Jim Hartsock and Chris Knowlton, TREK's founders, have more than sixty years of experience successfully manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to offering top quality and new design concepts to be able to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design concepts as shown in their product development. They enjoy offering items which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of workers likes new challenges and new tasks. They are extremely proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and needs together with their understanding of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

The workers at TREK and their dealer-partners are really committed to having both technical support and parts obtainable when it is required. Their high service commitment is amongst the core values in their customer service. Keeping their customers' cleaning equipment working and ready daily is top priority. The company's top of the line technology delivers dependable machine which eventually reduces your cleaning cost. The price, the service and the product all work as one so as to make them the leader in the industry.
