

American Lincoln Parts

American Lincoln Parts - Currently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. In the industry they are recognized in the business as providing strong and durable machinery which satisfies all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide via national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are on the market under the brand name "Encore". American Lincoln can provide warranty service, machines and components for these scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where results and efficiency make a difference. Lately, this particular floor scrubber model has been requested by the architects in new construction jobs like Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site due to the model's excellent quality and utmost performance level for polishing concrete.
