

Nissan Forklift Part

Nissan Forklift Parts - Nissan prides itself on attaining complete client satisfaction when their client is enjoying one of their numerous trucks, cars or forklifts. Nissan Forklift branch is a wholly owned subsidiary of Nissan Motor Co. Ltd. They are committed to offering high value and meticulous quality values to their customers. Incorporating a rich heritage combined with solid manufacturing principals, Nissan Forklifts supply a few of the best materials handling equipment the industry has to offer.

In order to satisfy the worldwide wishes of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to providing consumer support, the business has four separate manufacturing facilities that allow them to persistently adapt to their customers continually evolving requirements by providing an array of progressive ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, fabrication, and support of their lift truck products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental accountability by using methods and procedures that minimize their environmental footprint. These high standards remind customers that Nissan operates under the quality seal that their consumers insist upon whilst being an environmentally responsive corporation.

Nissan is assured that they will be able to address any client questions or considerations. Always available through their website or by calling 800.871.LIFT, contacting one of their community authorized sellers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
